

Stepping Stone Collective

Riverstone Pavers

Create an enchanting stone pathway with these small versatile textured stepping stone pavers.

300mmx270mmx40mm (approx), more than one shape for more authenticity

Blackbutt Pavers

Enhance the landscape with the character, texture & charm of these large timber like pavers.

800mm x 400mm x 40mm

Timberstone Pavers

The essence of natural timber with all the benefits of handcrafted stonework. These pavers have the strength and durability of natural stone, ensuring they last longer and without the high maintenance of timber.

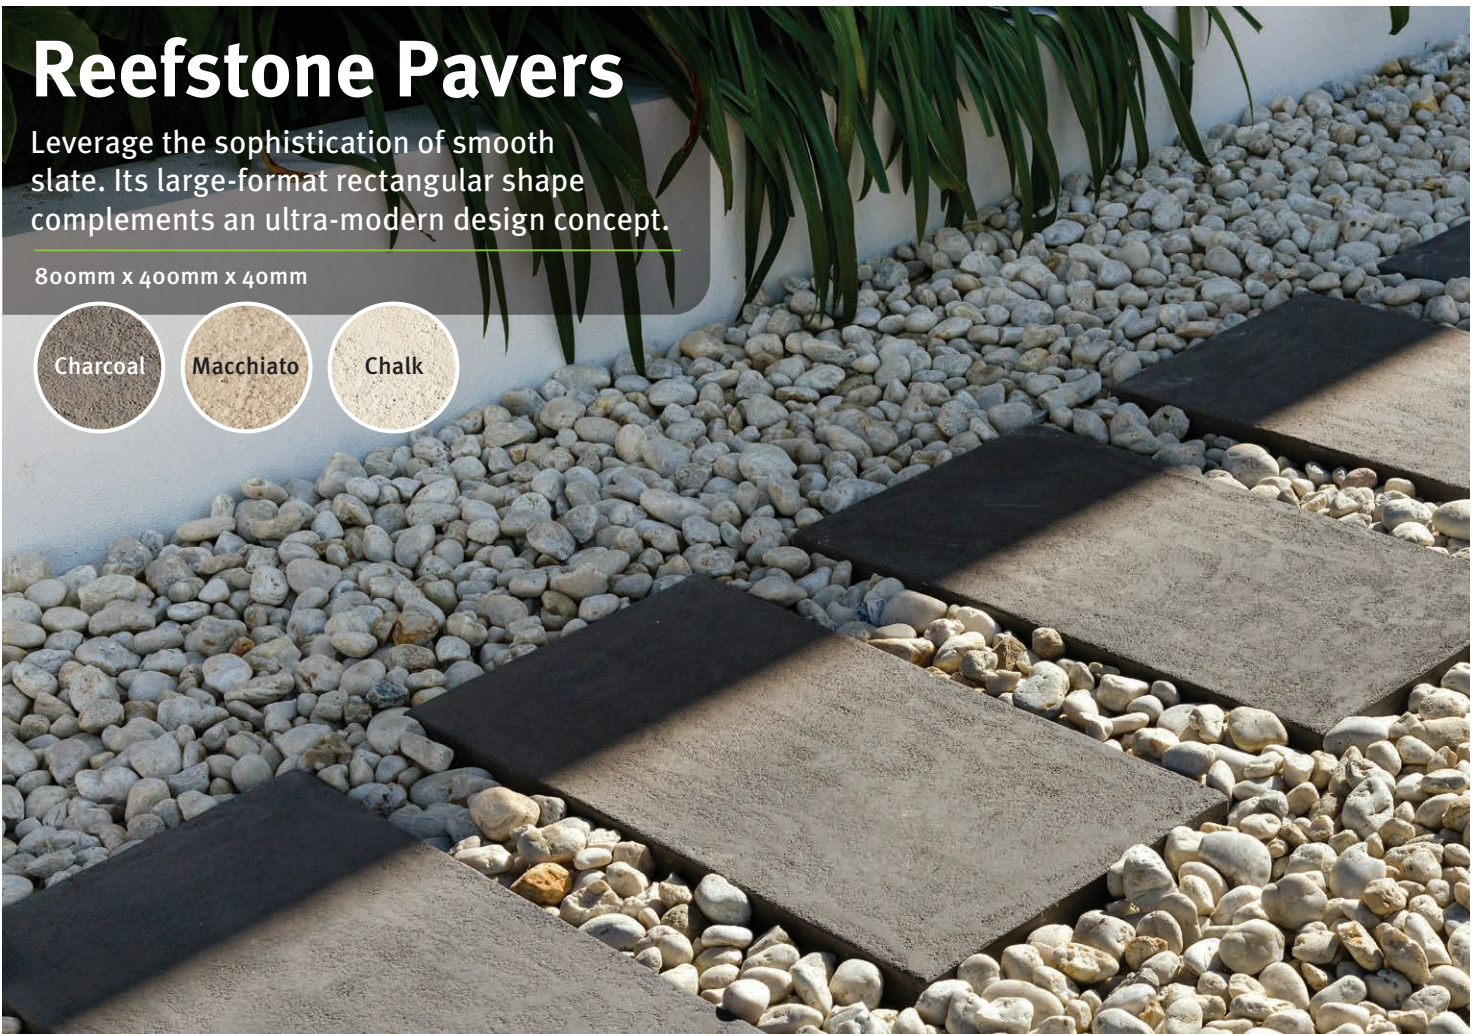

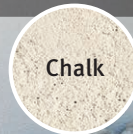

800mm x 230mm x 40mm
230mm x 230mm x 40mm

Reefstone Pavers

Leverage the sophistication of smooth slate. Its large-format rectangular shape complements an ultra-modern design concept.

800mm x 400mm x 40mm
